TERMS AND CONDITIONS

Submitting a design

Entries can be submitted until midnight 12th June 2016. To submit an entry, visit www.kevinlynchs.com, download the template, complete your design and follow the instructions to upload. You can submit your jersey in any of the follow ways:

Upload at www.kevinlynchs.com.

Email it to secretary.kevinlynchs.derry@gaa.ie.

Hand it to your club coach or a member of the committee.

Post it to Kevin Lynch Park, 41 Curragh Road, Dungiven, BT47 4SE.

All wining designs become the property of Kevin Lynch Hurling Club. Kevin Lynch Hurling Club reserve the right to modify the design. The basis of the 2016 50th year Jersey design is subject to executive committee approval.

Design tips:

It is the Club's preference that the core colours of the KLHC and the 50th logo/crest are incorporated in some way in the design.

O'Neill's have informed us that anything can be printed onto the jersey, so don't limit yourself. Check their website for ideas and you may use the icreate section provided for a base design; then add unique features!

Don't be worried if you are not a great artist; a description to explain your design will be fine. Create a digital design or scan & upload or post your entries, details above.
