Cumann Iomanaíochta Chaoimhín Uí Loingsigh

## 50th Anniversary Commemorative Jersey Design Competition

**1ST PRIZE**  
A free commemorative jersey with a unique design.

Prizes also for 2nd and 3rd and all entries will be entered into a draw for shop vouchers.

### Design tips

It is the Club's preference that the core colours of the KLHC and the 50th logo/crest are incorporated in some way in the design. O'Neill's have informed us that anything can be printed onto the jersey, so don't limit yourself. Check their website for ideas and you may use the create section provided for a base design; then add unique features! Don't be worried if you are not a great artist; a description to explain your design will be fine. Create a digital design or scan & upload or post your entries, details below.
